LETTER FROM THE MAYOR

Jake Bruton

As we all do our part to socially distance and keep our family, friends, and neighbors safe, it can be difficult to find opportunities to responsibly get out and have some fun. The Village of Tijeras is pleased to offer just such an opportunity in the form of our **new park and view cinema!**

The first showing will be held on the evening of October 31st, Halloween night, at 7:30 p.m. We will be showing the classic film *Beetlejuice*. This is a **free** event and is open to to the public. We will accommodate the first 75 cars that arrive, so plan to get here early!

The large screen we are building next to Village Hall will allow all attendees to comfortably watch the movie from their own vehicle and the audio will be broadcast directly to your car stereo via FM radio. Village staff will be on hand to help direct traffic, show you where to park, and sell small concessions.

This screening will be the first of many, as the Village plans to show movies on a regular basis going forward. After the first free showing, the Village will charge a small fee for future events of \$10.00 per vehicle. Keep an eye out in the coming weeks for information about the next event. We look forward to seeing you on Halloween!

MORTGAGE AND RENTAL ASSISTANCE

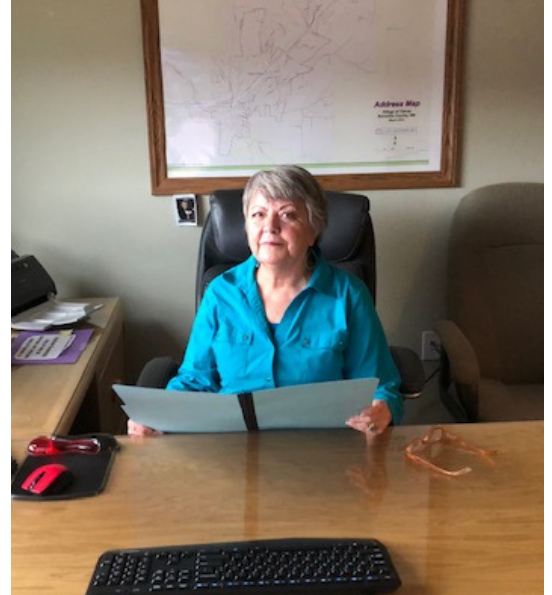

Councilor Maxine Wilson, Mayor Pro Tempore

The New Mexico Mortgage Finance Authority has created a COVID-19 Housing Cost Assistance Program to help New Mexicans experiencing financial hardship due to the pandemic. Recipients will receive as much as \$1,500 per month for up to three months to pay back rent or mortgage payments. Payments on real estate contracts, home liens, and land may also be covered.

There are several qualifying criteria for the program, including income, proof of COVID-related financial hardship, proof of New Mexico residency, and proof that payments are past due. The complete list of qualifying criteria can be found at housingnm.org.

Applications for the program will be accepted from 8:00 a.m. on November 2nd to 5:00 p.m. on November 13th. The application requires several supporting documents, so applicants are encouraged to begin as soon as possible.

If funding is sufficient, the Mortgage Finance Authority plans to fund all eligible applications. Payments are made directly to landlords, servicers, escrow companies, or other housing providers. For more information visit housingnm.org, or call 505-308-4206 or 866-488-0498.

Potential MVD Weather Closures

The snow storm we experienced early this week is a good reminder that cold weather and winter conditions are coming. If necessary, the MVD will close due to adverse weather to protect our customers and staff. We will provide as much notice as possible. In the event of a closure, please be flexible as our MVD clerks work to reschedule your appointment.
