## LETTER FROM THE MAYOR

Jake Bruton

It is with great excitement and my pleasure to announce the return of the Park & View here at Village Hall. Our first showing will be May 27th. Our goal with these films is to provide entertainment for the East Mountains that doesn't require you to leave the community.

For our first movie, we will be showcasing the film Thor: Love and Thunder. Thor embarks on a journey unlike anything he's ever faced -- a quest for inner peace. However, his retirement gets interrupted by Gorr the God Butcher, a galactic killer who seeks the extinction of the gods. To combat the threat, Thor enlists the help of King Valkyrie, Korg, and ex-girlfriend Jane Foster, who -- to his surprise -- inexplicably wields his magical hammer. Together, they set out on a harrowing cosmic adventure to uncover the mystery of the God Butcher's vengeance.

A great movie for your family rated at PG-13, pricing per vehicle is \$15 and tickets can be purchased at <https://www.tijerasnm.gov/park-and-view/>. Cash can be accepted upon arrival, however staff will not have change so please be sure to bring the exact amount!

# CHIPPER DAY! KEEPING OUR COMMUNITY SAFE

## Councilor Matt Armenta, Mayor Pro Tempore

I would like to thank the folks over at Ciudad Soil and Water for their aid in helping protect and prepare our community from the upcoming fire season. I would also extend thanks to the maintenance team over at Village Hall, they are a fantastic group of individuals who are always going above and beyond the normal duties of their role. Without their aid and quick response, events such as this would not be possible.

This year we serviced the Primera Agua neighborhood. The team chipped on site this year and fed the woodchips back onto properties that requested the service. Not only does the trimming help prevent fires and set boundaries of protections for homes, but it also helps with a unique landscaping design.

I highly encourage all residents to become educated on how to prepare for fire season. A passion for safety is what myself and the former Mayor Pro-Tem Maxine Wilson hold as high importance in our community. If you're curious of the preparation that goes into Chipper Day please feel free to Visit the Village's Facebook page and view the training video that the Clerk's office and Ciudad Soil and Water hosted for Primera Agua here: <https://www.facebook.com/villageoftijeras>.

Village Hall hours of operation are  
8am-5pm Monday-Friday  
Phone: (505)281-1220

Motor Vehicle Hours of operation are 8am-  
4pm Monday-Friday  
Phone: (505)-281-3774

(If someone does not answer your call  
please leave a voicemail and a employee will

# TIJERAS 3RD ANNUAL EARTH DAY CELEBRATION

## Village Councilmen Jonathan Ortiz

On April 22nd, the Village hosted it's 3rd annual Earth Day Clean Up celebration. I would like to thank Bernalillo County Solid Waste Division for providing the dumpster for the event. With out the County's aid and the staff/Council's support, events such as these would not be possible.

Village staff, myself, and Mayor Bruton began the day at 9:00 am passing out trash bags and gloves to community members ready to begin picking up trash around the community. Volunteers extended to the ends of our municipal boundaries and some even went into the creek bed to collect trash. It was a wonderful sight to see as families of all ages banded together to clean up the area.

I am very thankful and proud for our community and the efforts they displayed to keep Tijeras clean and beautiful. I would also like to extend a shoutout to local sponsors who donated funds for our Earth Day shirts. Participants received the shirts as thanks for cleaning up the community. I'm very proud of the design and it's a great feeling to see the shirts around town.
