FALL 2023 MOBILE CHIPPER DAY

Mayor Jake Bruton

The Village of Tijeras is proud to be partnering with Ciudad Soil and Water Conservation District (CSWCD) to host another Mobile Chipper Day event for fall 2023.

This important event, tentatively scheduled for late October or early November, will improve the wildfire resiliency of our community by reducing excess foliage.

We are looking for feedback from our residents about which neighborhood to work in for this upcoming event. For maximum benefit, we would like to partner with a neighborhood where the majority of residents are motivated to perform thinning work on their properties.

If you would be interested in participating, please complete the short survey linked on our website and social media pages. If you would prefer to fill out a physical survey and mail it in or drop it off at Village Hall, please see the next page of this newsletter.

We look forward to another great Mobile Chipper Day and we are grateful to Ciudad for helping us protect our community against the risk of wildfire. For more information, please call (505) 281-1220 or send an email to clerk@tijerasnm.gov.

TRUNK OR TREAT EVENT

Councilor Matt Armenta, Mayor Pro Tempore

I am pleased to announce the Village will be hosting another "Trunk or Treat" event this year. The Trunk or Treat will take place on Saturday, October 28th starting at 4:00 p.m.--just prior to our screening of *Ghostbusters* at the Park and View.

The Trunk or Treat provides a great opportunity for the community to come together and show off their costumes and decorated vehicles, as well as for the kids to enjoy some safe and fun trick-or-treating right here in the Village. This year, we are partnering with our friends at Moore Learning Center to make it the best Trunk or Treat yet.

If you would like to reserve a parking slot to give out candy at this year's Trunk or Treat, please contact Sonya Apodaca at (505) 221-4805 or sapodaca@tijerasnm.gov. Participants will be charged a \$15.00 fee, which includes your admission to the Park and View.

Village staff are working to convert one of our trailers into a mini haunted house. Those brave enough to enter can expect a candy reward at the end! We will also have a free photo opportunity for families.

We hope you stick around after the Trunk or Treat to enjoy our final Park and View showing of the year, *Ghostbusters*. For more information about the movie, see the next page of this newsletter.

PARK & VIEW: GHOSTBUSTERS

Deputy Clerk Michael Limon

Community support for the Park & View this year has been amazing. Village staff would like to extend our thanks to the families who come out each month and share their time with us. Turnout for our September showing of Vivo was great. We look forward to ending this year's Park and View season on a high note, with a showing of the classic 1984 film *Ghostbusters*. We hope you join us for a fun, Halloween-themed evening!

The film will begin promptly at sundown, just after our Trunk or Treat event. Be sure to visit our website to purchase your tickets in advance: <https://www.tijerasnm.gov/park-and-view/>.

After a team of scientists (Harold Ramis, Dan Aykroyd, Bill Murray) lose their comfy positions at a university in New York City, they decide to become "Ghostbusters" and wage a high-tech battle with the supernatural for money. They stumble upon a gateway to another dimension, that if left open will release evil upon the city. The Ghostbusters must now save New York from complete destruction.
