The Village of Tijeras donated a firetruck to the City of Guaymas in the state of Sonora in Mexico!

Mayor Jake Bruton drove the truck to Guaymas earlier this month.

The village councilors expressed support for the donation, which they said will prevent the truck from going to waste as it is no longer needed by Tijeras.

This is not the first time Tijeras has donated firefighting equipment to the Departamento de Bomberos Guaymas, a volunteer fire department.

"In accordance with Village of Tijeras Ordinance 215, it is illegal to sell, possess, or discharge fireworks with Village limits."

"De acuerdo con la Ordenanza 215 del Pueblo de Tijeras, esta prohibido vender, posesar o detonar fuegos artificiales dentro de los limites del Pueblo."

FULL BUCK MOON

THE OLD
FARMER'S ALMANAC

Why Is It Called the Buck Moon?

The full Moon names used by The Old Farmer's Almanac come from a number of places, including Native American, Colonial American, and European sources. Traditionally, each full Moon name was applied to the entire lunar month in which it occurred, not solely to the full Moon.

When to See the Full Moon in July 2025

July's full Buck Moon will rise on Thursday, July 11, reaching peak illumination at 4:37 P.M. Eastern Time. It will be below the horizon at that time, so plan to look towards the southeast after sunset to watch it rise into the sky.
